

Ethiopian Textile and Garment Manufacturers Association

ETGAMA

ETHIOPIA

About ETGMA

Ethiopia Textile and Garment Manufacture's Association (ETGAMA) is a national Association of textile and garment industry, established pursuant with Ethiopia Chamber of commerce and Sectoral Association Proclamation no. 341/2003.

Core Values

- Integrity
- Transparency
- Accountability
- Members Satisfaction and
- Socially responsible commitment towards excellence

Vision

Our vision is to see Ethiopia as a text hub of Africa competent and fron-runner in the global market .

Mission

To create a vibrant textile and garment sector which can play a leading role in the growth and development of the manufacturing industry sector by bridging the gap through capacity building, market linkage and policy advocacy.

ETGMA'S Services Include:

- Updating members on contemporary global business trends
- Conducting seminars & dialogues with government regarding policy issues
- Holding training % workshops with development partners
- Promoting member factories & their Products
- Providing advisor service on technical & operational concerns
- Building relationships between exporters & international buyers
- supporting members meet national & international standards among others
